Luftwaffe Medium Bombers
Pt. III

Suggested Kit: Monogram/ Revell 1/48 D0-217E DML/Dragon Ju 188.

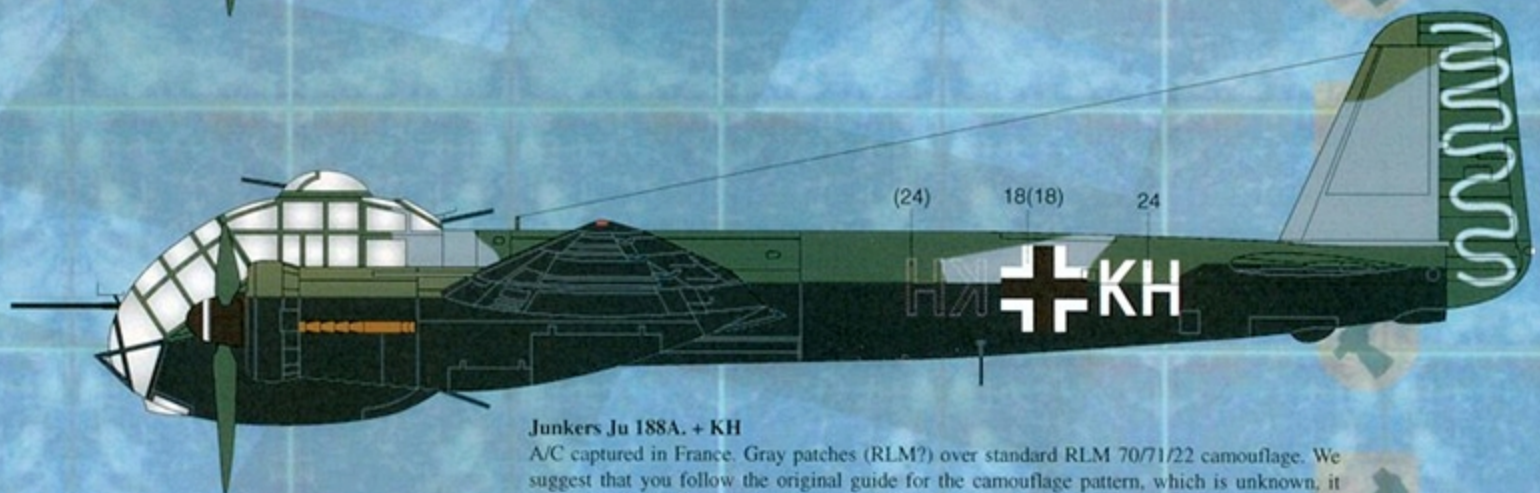

Donier Do217E-1 F8+GN. Aircraft flew out of Bordeaux, France 1941. Camouflage was RLM 72 & 73 over RLM 65. Props RLM 70 with Red spinner caps. Emblem of IL/KG40 carried on both sides.

Donier Do-217E U5+FS. 8/ KG2, while stationed in France, 1942. Camouflage was as A/C 1 with Black undersurfaces. Emblems on both sides.

Junkers Ju 188A-2. 1H+GT
9/KG26. RLM 74/76 striping on uppersurfaces and RLM 65 undersurfaces. (76?)
Fin and rudder 70/71. White spiraled Black spinners, with RLM 70 prop blades.

Junkers Ju 188A. + KH
A/C captured in France. Gray patches (RLM?) over standard RLM 70/71/22 camouflage. We suggest that you follow the original guide for the camouflage pattern, which is unknown, it seems to have been modified. No swastika on tail.
