Special thanks to Kolin Campbell for
all the pics and the reference information
on both of these Fighting Omars.

Thanks Kolin!

These are two decals.
Place the cross-hair decals
above the A/C silhouette.

The Fighting Omars of WFC-12 are based at NAS Oceana, Virginia. They are one of two Naval Reserve Adversary squadrons in the United States Navy.

Flying F/A-18A/B Hornets, they provide adversary support for east coast squadrons. They routinely deploy to NAS Key West and NAS Fallon to train Navy pilots in Dissimilar Air Combat Tactics (DACT).
