BARRACUDA CALS

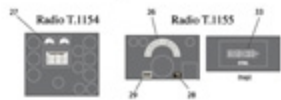

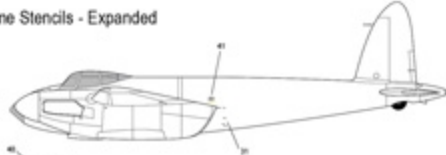

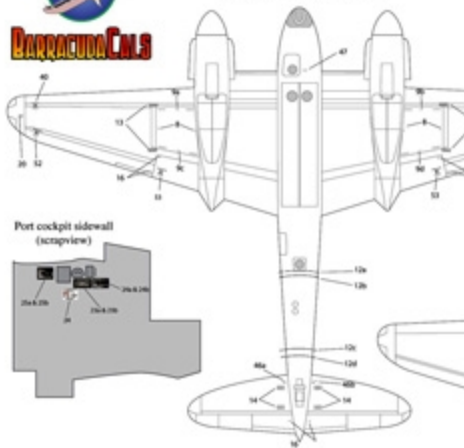

MOSQUITO AIRFRAME STENCILS EXPANDED

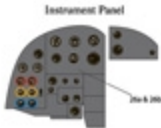

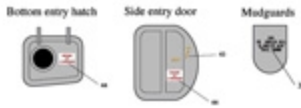

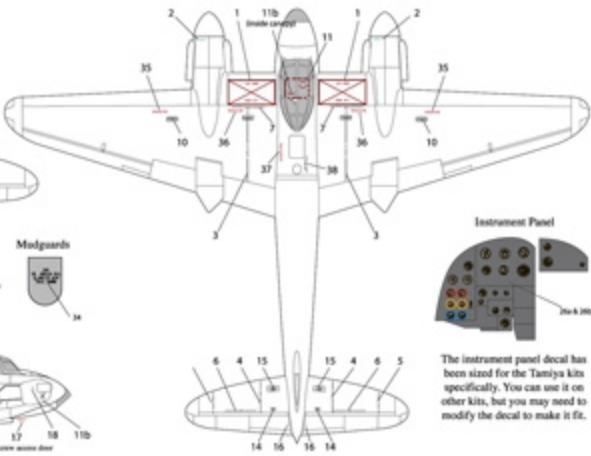

Suitable for all marks

BC48166 Mosquito Airframe Stencils - Expanded

Note that the red markings are printed in dull red.
This is intentional and accurate.

Port cockpit sidewall (scrapview)

The instrument panel decal has been sized for the Tamiya kits specifically. You can use it on other kits, but you may need to modify the decal to make it fit.
