Queste decalcomanie sono stampate con stampante laser, di conseguenza il toner del colore non è abbastanza coprente, si devono applicare prima le decalcomanie di fondo bianco e poi applicare quelle definitive.
These decals are printed with a laser printer, so the color toner is not covering enough, you have to apply the white background decals first and then apply the final ones.

Si avvisa il modellista che, per ragioni tecniche, non è possibile stampare i colori identici a quelli reali, perciò si deve tener conto dei colori indicati sulle didascalie
We advise the modellers that, for technical reasons, it's not possible to print the colours of the drawings exactly to the real colours, therefore, it's well to follow the indications.
