## Columbus IPMS Eddie Rickenbacker Chapter

Welcome to Columbus, Ohio, Eddie Rickenbacker Chapter of IPMS. Named after America's "Ace of Aces", Capt. Eddie Rickenbacker, we as a club are dedicated to the promotion of the hobby of scale modeling. We have approximately 50 members, with widely ranging interests and skills. Our meetings feature modeling subjects and programs covering all areas and genres of the hobby. Our meetings are open to visitors and feature a monthly contest.

Chartered in 1965, IPMS Columbus is a strong, active chapter which hosted the 1973 National Convention, numerous Region 4 Regionals. Most recently we hosted the 1997 IPMS National Convention, the 2000 Region 4 Convention and we are your hosts for the 2009 IPMS National Convention.

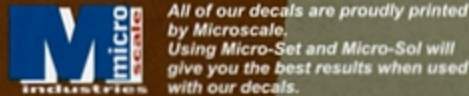

We enjoy all aspects of scale modeling, and invite anyone to join us at our monthly meetings, where we exchange modeling tips, information, kit reviews, and general fellowship.

We are honored to be your gracious hosts for this year's IPMS National Convention. All the members of the Columbus IPMS Chapter welcome you to the Buckeye State!

Have a great time at the show!
