

WWII LUFTWAFFE PERSONNEL

Contains 46 unpainted pieces.

I painted mine in Humbrol 79 blue grey for the overalls, 85 for boots and belts, 34 for shirts if visible, 63 for skin color and 111 field grey (when that still existed) for the caps. The pilots were done in 84 middle stone overalls, 34 white straps, 24 vest, 85 boots, 111 cap or 62 flying cap
