QV-J (P7849), 19 Sqn

XR-D (P7308), 71 Sqn

EagleCals #158

Spitfire Mk IIa

Note to 1/32nd Revell kit builders: the deHaviland spinner in the kit is incorrect for these Mk IIa markings. We recommend EP#70-32 Rotol spinner. In addition we also recommend EP#71-32, Oil Cooler replacement to more accurately depict your Mk IIa.

NK-K **P8088** **Just Jake** **118 Sqn** **April 1941**

Pilot: P/O Alec Lumsden

Colors: Uppersurfaces: Pattern A Dark Earth/Dark Green

Undersurfaces: Sky

Spinner and 18" rear fuselage band: Sky

National Insignia: Upperwings 56" Type B

Underwings: 50" Type A

Fuselage: 35" Type A.1 with 5" center spot

Note: The fuselage codes on this aircraft have been mapped out to varying widths and styles. Portions of the s/n are visible on right side of rear fuselage applied over the sky band.

PK-K **P7833** **Kryisia** **315 Sqn** **Summer 1941**

Colors: Uppersurfaces: Pattern A Dark Earth/Dark Green

Undersurfaces: Sky

Spinner and 18.5" to 19" rear fuselage band: Sky

National Insignia: Upperwings: 56" Type B

Underwings: 50" Type A

Fuselage: 35" Type A.1 with 7" center spot

References: The Spitfire Story

QV-J **P7849** **Armagh** **19 Sqn** **June 1941**

Pilot: F/L Walter Lawson.

Colors: Uppersurfaces: Pattern A Dark Earth/Dark Green

Undersurfaces: Sky

Spinner and 18" rear fuselage band: Sky

Spinner Backplate: Black

National Insignia: Upperwings 56" Type B

Underwings: 50" Type A

Fuselage: Non-standard 37" Type A.1 with 5" center spot

References: Osprey Aircraft of the Aces 12: Spitfire Mk I/II Aces 1939-41

XR-D **P7308** **71 Sqn** **August 1941**

Pilot: P/O Bill Dunn, the first "Eagle Squadron" ace.

Colors: Uppersurfaces: Pattern B in a provisional color of Ocean Grey/Dark Green or Ocean Grey/mix of Night and Medium Sea Grey

Undersurfaces: Medium Sea Grey

Spinner and 18" rear fuselage band: Sky

Note: Due to the variable nature of Duck Egg Blue, which was called out in the original order, alternate color fuselage codes are supplied for this transitional scheme. The small insert sheet matches Humbrol #23.

National Insignia: Upperwings 56" Type B

Underwings: 50" Type A with 7" center spot

Fuselage: 35" Type A.1
