BUNKER HILL 1945**

**F6F-5 VF-15
USS ESSEX 1944**

STENCIL AND DATA

**Each aircraft had its bureau number painted in 1" numbers in this position on both sides of the tail. Due to their size, bureau number identification is nearly impossible from photos. Specific bureau numbers were included in this set when known. Enough 1" numbers have been included to replicate any bureau number.

Hey Modelers! Check out the Model Geeks Scale Modeling Podcast, a place where 4 Navy vets talk about anything and everything relating to scale models. Buckle up for an exciting and entertaining journey into the world of scale modeling.
