F-4E Phantom II

West German
Bundesluftwaffe F4-F
with complete figure
of a galloping horse

(Featured in Squadron/Signal book #5545, page 65.)

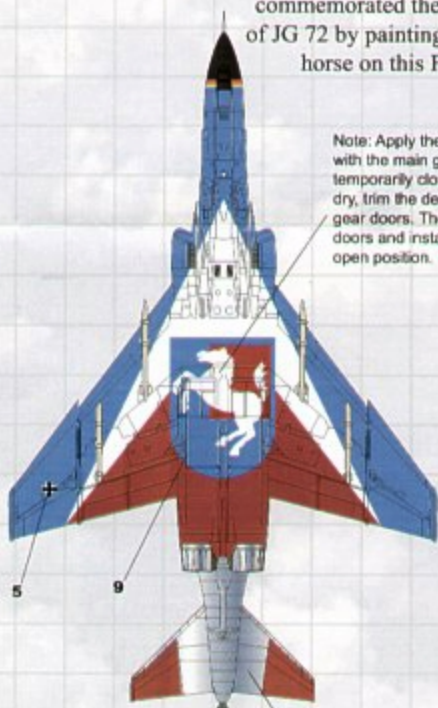

The West German Bundesluftwaffe commemorated the 35th anniversary of JG 72 by painting a galloping white horse on this F4-F in 1996.

Special paint color notes:

The colors are neither FS nor RAL. Unusual, one-of-a-kind paint schemes such as this were often created using nonmilitary colors.

Note: Apply the horse logo with the main gear doors temporarily closed. Once it is dry, trim the decal along the gear doors. Then remove the doors and install them in the open position.

German national colors

Natural metal finish
