

US Navy Carrier Deck Section -

This pack contains approx 215 x 140mm of deck section with fold down side walls making a neat display base. All the correctly spaced location holes are included for 22 aircraft tie down points and are matched to the cast tie-down points provided in our USN Carrier Deck Diorama Set, which will fit out two of these deck section units. These cast tie down points, when fitted, provide full under-floor support for this base unit throughout its entire area. In addition - slots are provided in the base for the deck edging panels that are provided in Issue 2 of our USN Carrier Deck Diorama Set

Fold down side walls of the base unit [WITH THE FOLD LINE ON THE OUTSIDE OF THE FOLDS] and 'fit-out' with the Tie-Down Points and Edging Panels as supplied and as shown in Issue 2 of our 172nd USN Carrier Deck Diorama Set .
