## Birth of the Luftwaffe Part 1

LUFTWAFFE COLORS  
"JAGDWAFFE" SECTION 1 VOL 1

These Decals are based on: "The Birth of the Luftwaffe"

Suggested Kit: Tamiya, Hasegawa & Hobbycraft Bf-109 B/C/E, Classic Airframes He 51.

This Bf109B-2 of JG 132 *Richthofen* wears RLM 70 Schwarzgrün and RLM 71 Dunkelgrün over RLM 65 Hellblau. Note the black prop and RLM 70 spinner. See page 55.

If you want to read and learn more about the Jagdwaaffe A/C and their markings/colors, we recommend you obtain the Jagdwaaffe series of books, especially:

LUFTWAFFE COLORS  
"JAGDWAFFE" SECTION 1 VOL 1  
"Birth of the Luftwaffe"  
Available from AEROMASTER

This Bf109D-1 of JG 132 *Richthofen* wears a different pattern of RLM 70 Schwarzgrün and RLM 71 Dunkelgrün over RLM 65 Hellblau. Note the black prop and RLM 70 spinner. See page 82.

This Bf109C-1 of JG 130 wears the same pattern as the Bf-109C, above: RLM 70 Schwarzgrün and RLM 71 Dunkelgrün over RLM 65 Hellblau. Black prop and RLM 70 spinner with white center band. See page 81.

This He51B-1 of JG 135 wears RLM 63 Hellgrau overall with blue flashing and 600mm fuselage band. RLM 63 prop spinner with blue tip. RLM 63 prop blades. Note the aluminum drop tank assembly. A handed version of decal 23 (decal 24) is provided — just in case. We cannot determine if decal 21 appeared on the starboard side, but an extra is also provided — again, just in case. See page 60.

These decals have been prepared in collaboration with Classic Publications. AeroMaster unreservedly recommends this series of books encompassing the Luftwaffe Fighting Force, better known as the Jagdwaaffe from 1936 throughout 1945. This series of books are the references used on this work. Do not miss them!

This He51B-1 of 2/JG 137 wears RLM 63 Hellgrau overall with RLM 25 bright green flashing and 600mm trisected fuselage band. RLM 63 prop spinner with RLM 25 tip. RLM 63 prop blades. Note the aluminum drop tank assembly. See page 78.
