*Anytime Babe!!* Pt. VIII

F-14 Tomcats

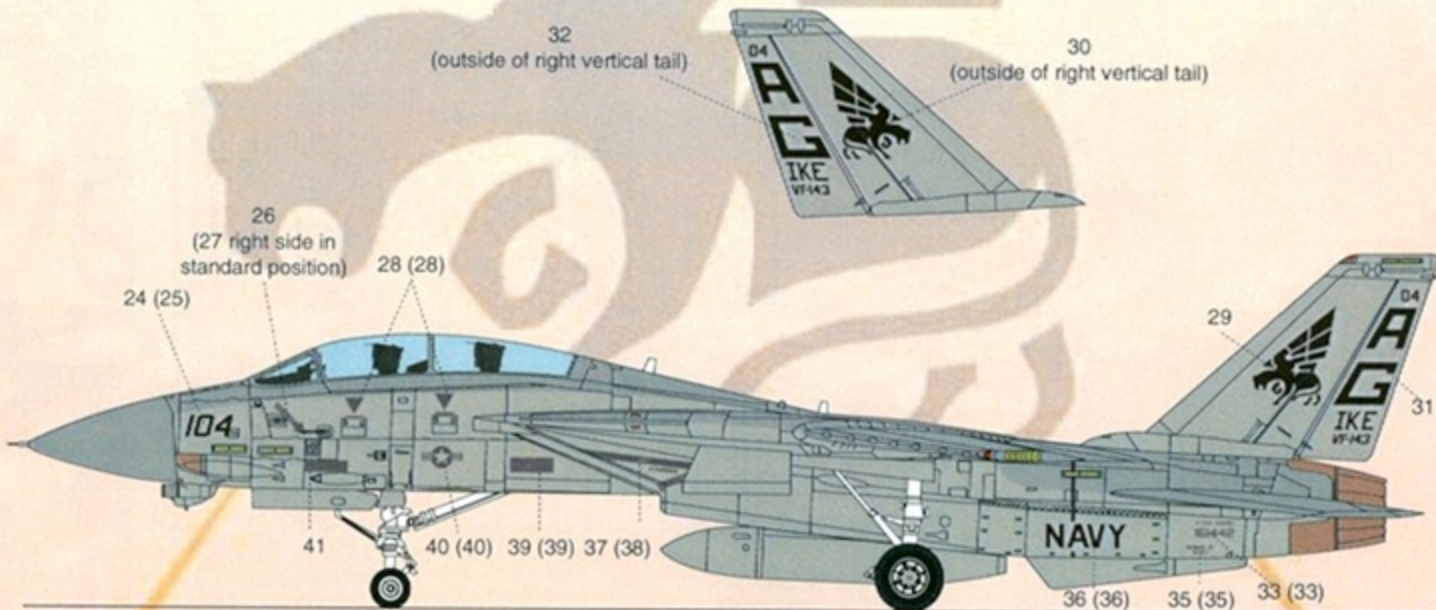

Suggested Kit: Hasegawas F-14 family.

AIRCRAFT 1 • F-14A BuNo. 162701, 'Gypsy 200' of VF-32, USS John F. Kennedy, Operation Desert Storm. Overall Light Gloss Gull Gray, Insignia Blue trim around canopy and tails. Two styles of kills are provided, as photos show the second kill chipping badly. Aircraft carries standard 'hi-vis' stencilling and national insignia. Antiglare panel in front of windscreen is Flat Black. Use Red turbine warning stripe from kit decal or from AMD 148-023.

Both A/C have Natural Metal Leading Edges on the horizontal flying surfaces.

AIRCRAFT 2 • F-14A (Plus) BuNo. 161442, '104' of VF-134 "Pukin' Dogs", USS Eisenhower, Operation Desert Storm. Upper surfaces and entire radome Dark Ghost Gray, lower surfaces Light Ghost Gray. Stencilling appears to be standard 'lo-vis' variety. Very dirty and patchy appearance.
