## Anytime Babe!! Pt. I

The cat is back!

1

AIRCRAFT 1 • F-14D (R) BuNo. 159630, F-14A rebuilt to D standards, '101' of VF-2, USS Constellation, 1996. Upper surfaces Gloss Light Gull Gray, lower surfaces Gloss White. A/C photographed at the Oceana Air Show, Sep 21, 1996, celebrating the 25th anniversary of VF-2. Notice double IR seeker under the nose(only on F-14D's). Notice upper stabilizers are not White.

2

F-14A BuNo. 161165, of VF-211 Checkmates at offutt A.F.B; May 1984. A/C finished in overall Gull Gray 36440 (See note on A/C 2), with markings and trim in FS 26081. The crew names on the canopy frames are bogus. We could not read them on the photos. It is unknown if "Excellence & Safety" award (ES) were also located on right side, hence both sides are provided.
