Wing antenna detail

National insignia can be obtained from Micro Scale Sheet #72-84.
The Skyraider uses a 30" insignia.

Standard color scheme for Skyraider:

Flat Gull Gray FS 36440 - all upper surfaces except rudders, elevators, ailerons and flaps.

Glossy White - lower surfaces, rudder and top of all movable surfaces, interior of wheelwells and landing gear strut.

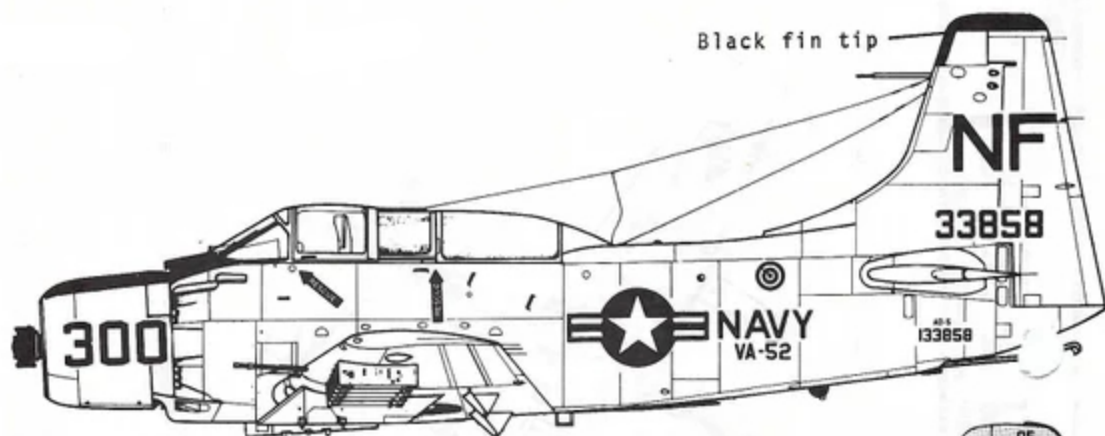

Flat black - radome.

Propeller Blades - flat black with white, red, white tips.

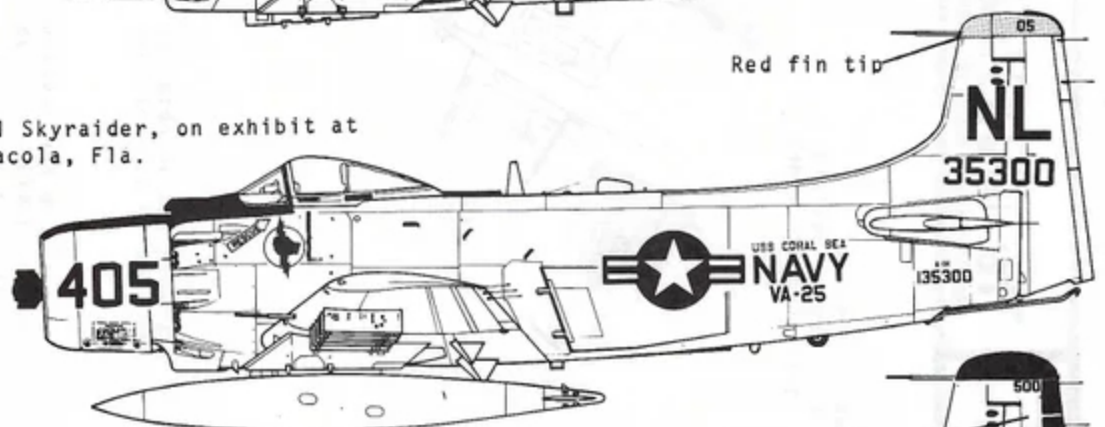

For further information on the Skyraider, we recommend the book "Douglas Skyraider" by B. R. Jackson (Aero Publishers).

★ The International Plastic Modelers Society is an organization devoted to developing the plastic modeling art. It was formed "By modelers - for modelers". If you wish to expand your modeling talents, write for further information to:
IPMS/USA, P.O. Box 163, Ben Franklin Station, Wash. D.C. 20044.
