Twobobs' goal is to provide you with the most thoroughly researched decals that money can buy. We go beyond using traditional reference resources and many times speak with the actual aircrews and maintainers of our subject matter.

Being modelers ourselves, we understand that there is no substitute for this painstaking research and we are proud to offer, what we feel, are the best decals on the market. If you have any subject matter that you feel should be the next Twobobs creation, let us know. We'll be happy to listen to any and all customer input.

"These models are a testament to this aircraft and to its crew," said Col. James Kowalewski, the 37th Bomb Wing commander. "They're the best."

"They're simply the best at what they do. They continue to exceed expectations."

To view more B-1s, visit www.37thbs.com. To report on operations over Freedom, including Predator and Reapers, visit www.37thbw.com. The 37th Bomb Wing has conducted 1,000 sorties and established a mission capable rate of 98 percent.
