"The Famous VF-11 Red Rippers"

AME2 (AW) C.J. Gould of the VF-11 Corrosion Control Shop was the designer for both of these paint schemes. Our thanks go out to him for all the minute and technical information he supplied to get these markings and schemes correct!

Thanks CJ!

Big thanks to aviation author and world class photographer Dave Brown for references and pics for this decal sheet!

Thanks also to Danny Deters for his help.

VF-11 has always been known to be one of the best F-14 units out there. In 2002 they were the recipients of the "Grand Slam" and the "Mutha" award. See text below for an explanation of these two award.

**Grand Slam Award** - This award is given to the East Coast F-14 squadron that exemplifies true Air Warfare Excellence.

**Mutha Award** - This award gets its roots from the F-8 community back in the day. It's given to the F-14 squadron with the most unit spirit and best paint scheme.
