48 044 & 72048

SR-71 Common Markings and Specific Planes For use with the 1/48 or 1/72 Testors or 1/72 Hasegawa kit.

Includes 17974 "Goony Bird" (among several other aircraft). See main gear doors.

After losing a generator the aircraft landed on Midway Island.

During the four days they were stuck there for repair the crew met artist wife of a naval officer.

They brought her to the plane and she painted the birds on both doors in about four hours.
