

SuperScale Decal No.48-643

F4D-1 Skyrays

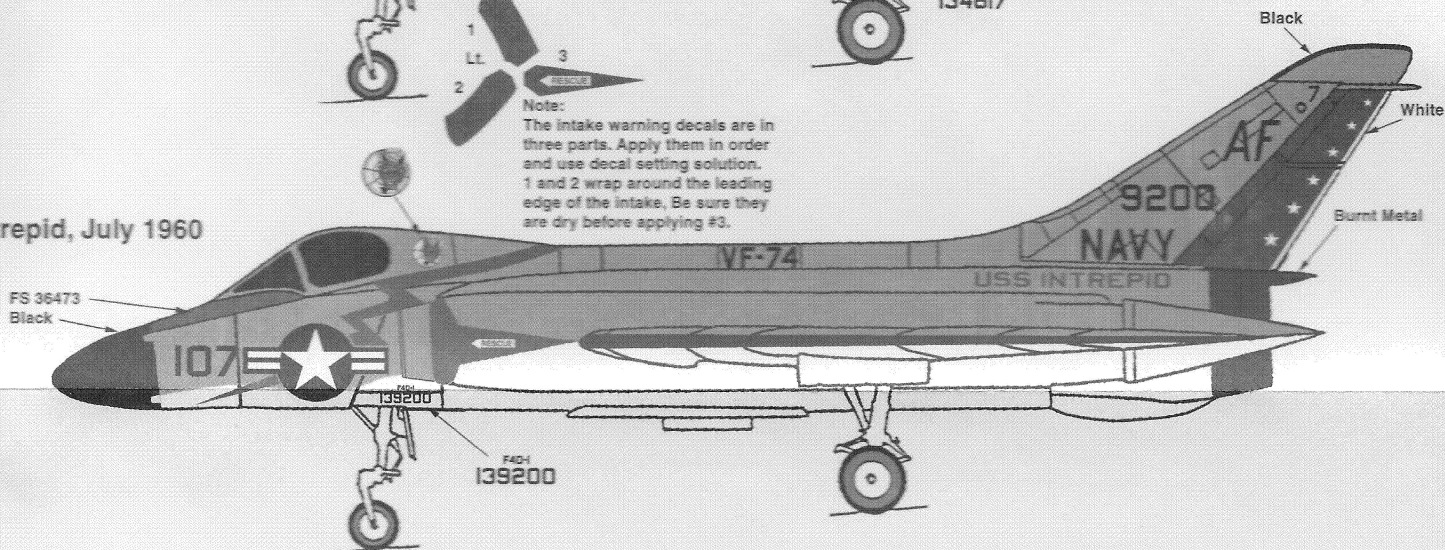

VF-13 & VF-74

Both aircraft are Lt. Gull Gray FS 36440 on upper surfaces and White on underside of aircraft. Elevons and rudder are White on both sides. Wing leading edges are metallic.

F4D-1
VF-13
USS Essex, June 1962

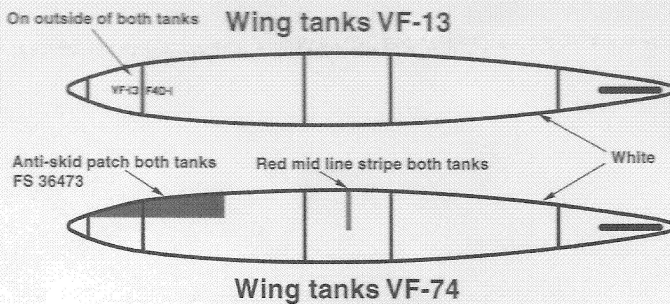

F4D-1
VF-74
USS Intrepid, July 1960

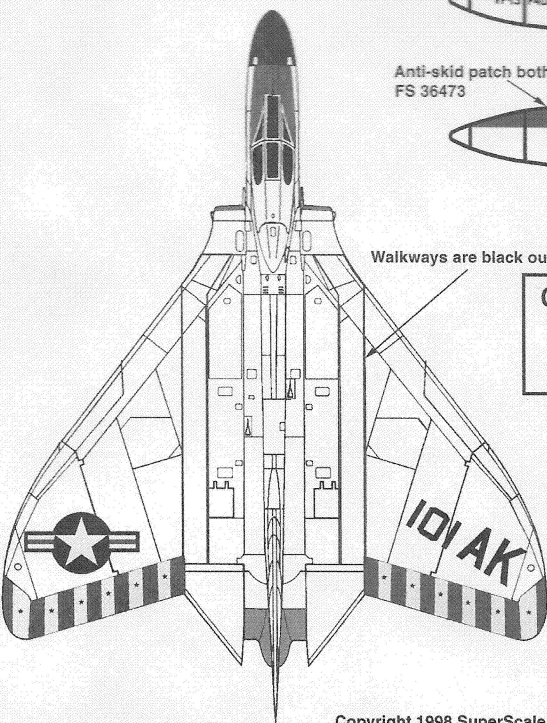

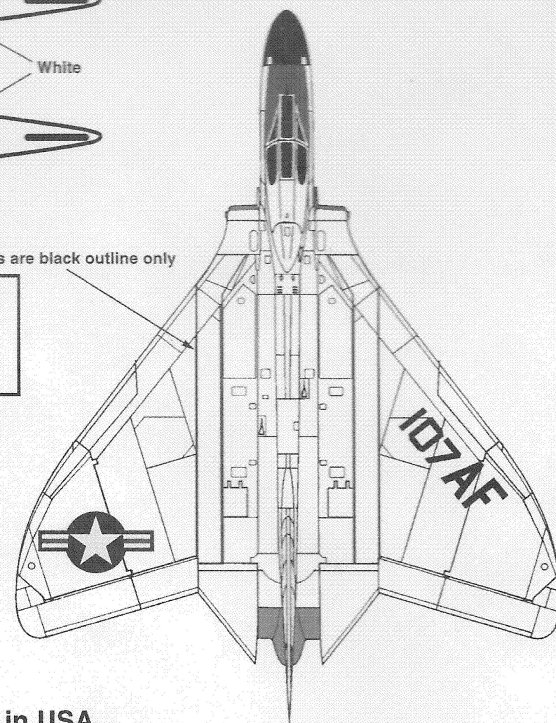

Note:
The intake warning decals are in three parts. Apply them in order and use decal setting solution. 1 and 2 wrap around the leading edge of the intake. Be sure they are dry before applying #3.
