1/48 SCALE

KCC-130H 130342 435 Sqn. returning from
"Operation Southern Watch". Kuwait, 1998.

130342 "Can-Tank-R-U" outward port engine and wing tanks were replacements with newer overall gray scheme. (FS#26099 Semi-Gloss) scheme.
Use extra gray decals for streaks of this aircraft.
Decals provided for 4 engines but only forward items #52, 55, 54 and 57 are required.
FS#38118 is close match to FS#26096 but appears darker due to semi-gloss finish.
