AeroMaster Decals™

Fokker D VII of Polizflieger Staffel, Post WWI entire fuselage and wheel covers Grey-Green (RLM 02?). Upper, lower, axle wing and horizontal stabilizer are 4 or 5 color lozenge camouflage fabric. Fin and rudder White. Struts are Dark Green.

Fokker D VII (OAW) serial # 4464/18. Jasta 78B, Buhl Air field 1918. Pilot: Leutnant Hans Jungwirth. Axle wing and forward fuselage section is Dark Green with Mauve (Gray Violet) spots (notice these are not round spots, but irregular angular forms, like lozenges). Fuselage, horizontal tailplanes, and wheel covers are Blue. All struts are light Gray with wings covered in 4 color lozenge fabric with Light Blue or Pink tapes, or a combination. After the butterfly and fuselage stripe decals are dry, lightly dry brush some Blue on the White portion, to simulate fading or decoloration.

Fokker D VII of Jasta 15, flown by Leutnant Joachim Ziegesar. Forward fuselage, wheel struts and covers are Red. Rear fuselage including fin and tailplane are Blue. Rudder is White. Wing struts are Grey. Axle, upper and lower wings, undersurfaces of horizontal tailplane are covered with 4 or 5 color lozenge camouflage fabric.

Fokker D VII flown by Georg van Hantelmann Jasta 15. Red forward fuselage. Rear fuselage, forward fin area and upper horizontal tailplanes are Blue. Rear fin and rudder are White. Axle, upper and lower wings, and lower tailplanes are 4 or 5 color lozenge camouflage fabric. Fuselage wing struts and cowl cheek flashes are White. Outer wing struts are dark Green. A/C shot down by an SE5a on June 17, 1918.

Fokker D VII serial # 373/18 flown by UFFZ Heinrich Piel of Jasta 13. Forward fuselage and wheel covers Medium Green. Rear fuselage and horizontal tailplanes Blue. White fin and rudder. Axle, upper and lower wing covered with 4 or 5 colors lozenge camouflage fabric. All struts Dark Green.

Suggested Kits:

- DML FOKKER D VII.
- Aurora/Monogram FOKKER D VII (Although decals were fitted to the DML kit, with minor trimming they may be used with this kit.)

If you have suggestions for future subject matter, AeroMaster would like to hear from you. Our goal is to provide high quality, well researched decals of unusual and interesting subjects. We value our customers' inputs, so if you have specific suggestions or photographs of unusual subject matter which you would be willing to share, please contact:
