badge faces forward both sides.

- 5** F-104G Starfighter, 22+89, MFG 1, Marineflieger.  
Dark Grey RAL 7012 (FS 26152) upper surfaces and Light Grey RAL 7001  
(FS 26373) undersides. Centre section of wingtip tanks is in  
Dayglo Orange; all lettering is in black and white.

- 6** F-104G Starfighter, 24+33, MFG 2, Marineflieger.  
Dark Grey RAL 7012 (FS 26152) upper surfaces and Light Grey RAL 7001  
(FS 26373) undersides. Centre section of wingtip tanks is in  
Dayglo Orange; all lettering is in black and white.

- 7** F-104 G Starfighter, 22+59, JGB 31, Federal German Air Force (Luftwaffe).  
Dark Grey RAL 7012 (FS 26152) and Dark Green RAL 6014 (FS 34079)  
upper surfaces with Light Grey RAL 7001 (FS 26373) undersides.  
National markings in standard six positions; centre section of wingtip tanks in  
Dayglo Orange. Note 21 in yellow on rear fuselage and white 'C' on fin

- 8** F-104 G DC+234, JG 33, Federal German Air Force (Luftwaffe).  
Natural metal overall except for wings which are white.  
National markings in standard six positions. Code in black.

- 9** TF-104 G Starfighter, 26+30, JG 34, Luftwaffe. (FS. 34079), (FS. 34082), (FS. 37031)  
camouflage overall. National markings on fuselage sides, above port wing and  
below starboard wing. Codes in black, outlined white.

- 10** F-104G Starfighter, JD+120, JG 74, Federal German Air Force (Luftwaffe),  
Neuburg, 1966. Dark Grey RAL 7012 (FS 26152) and Dark Green RAL 6014  
(FS 34079) upper surfaces with Aluminum RAL 9006 undersides.  
National markings in standard six positions.

- 11** F-104G Starfighter, 26+63, of the "Vikings" aerobatic team, Marineflieger.  
White fuselage sides and wings, mid-blue top of fuselage, top of elevator and  
trim on fin; red underside of fuselage, undersurfaces of elevator.  
National markings in six positions.

The "sailor collar" was only applied  
to the underside of the elevator,  
the same dimension for the  
vertical stabilizer on the left and right.
