V

MD-T "Bukeye Don" (BL 255). Flown by First Lt. Don Gentile, No. 133 Eagle Squadron at Biggin Hill, late August 1942. Two Fw-190 victories over Dieppe on August 19, 1942. Right side reads MD  T. Note blunt spinner.

-NOTE-

These US Spitfires may have had wing insignia in the four positions although we could not confirm this because our pictures do not show the wings. We believe the use of only upper left and bottom right insignia to be correct, but have provided enough insignias for the use of four positions as well. Should you confirm the number of insignias used, please let us know to make this work more accurate.
