THIS JET DOES NOT HAVE THE PLATE ON THE INTAKES

INTERIOR FLAPS WERE PAINTED FS.30219

PAINT UNDERSIDE OF SLATS FS.306495

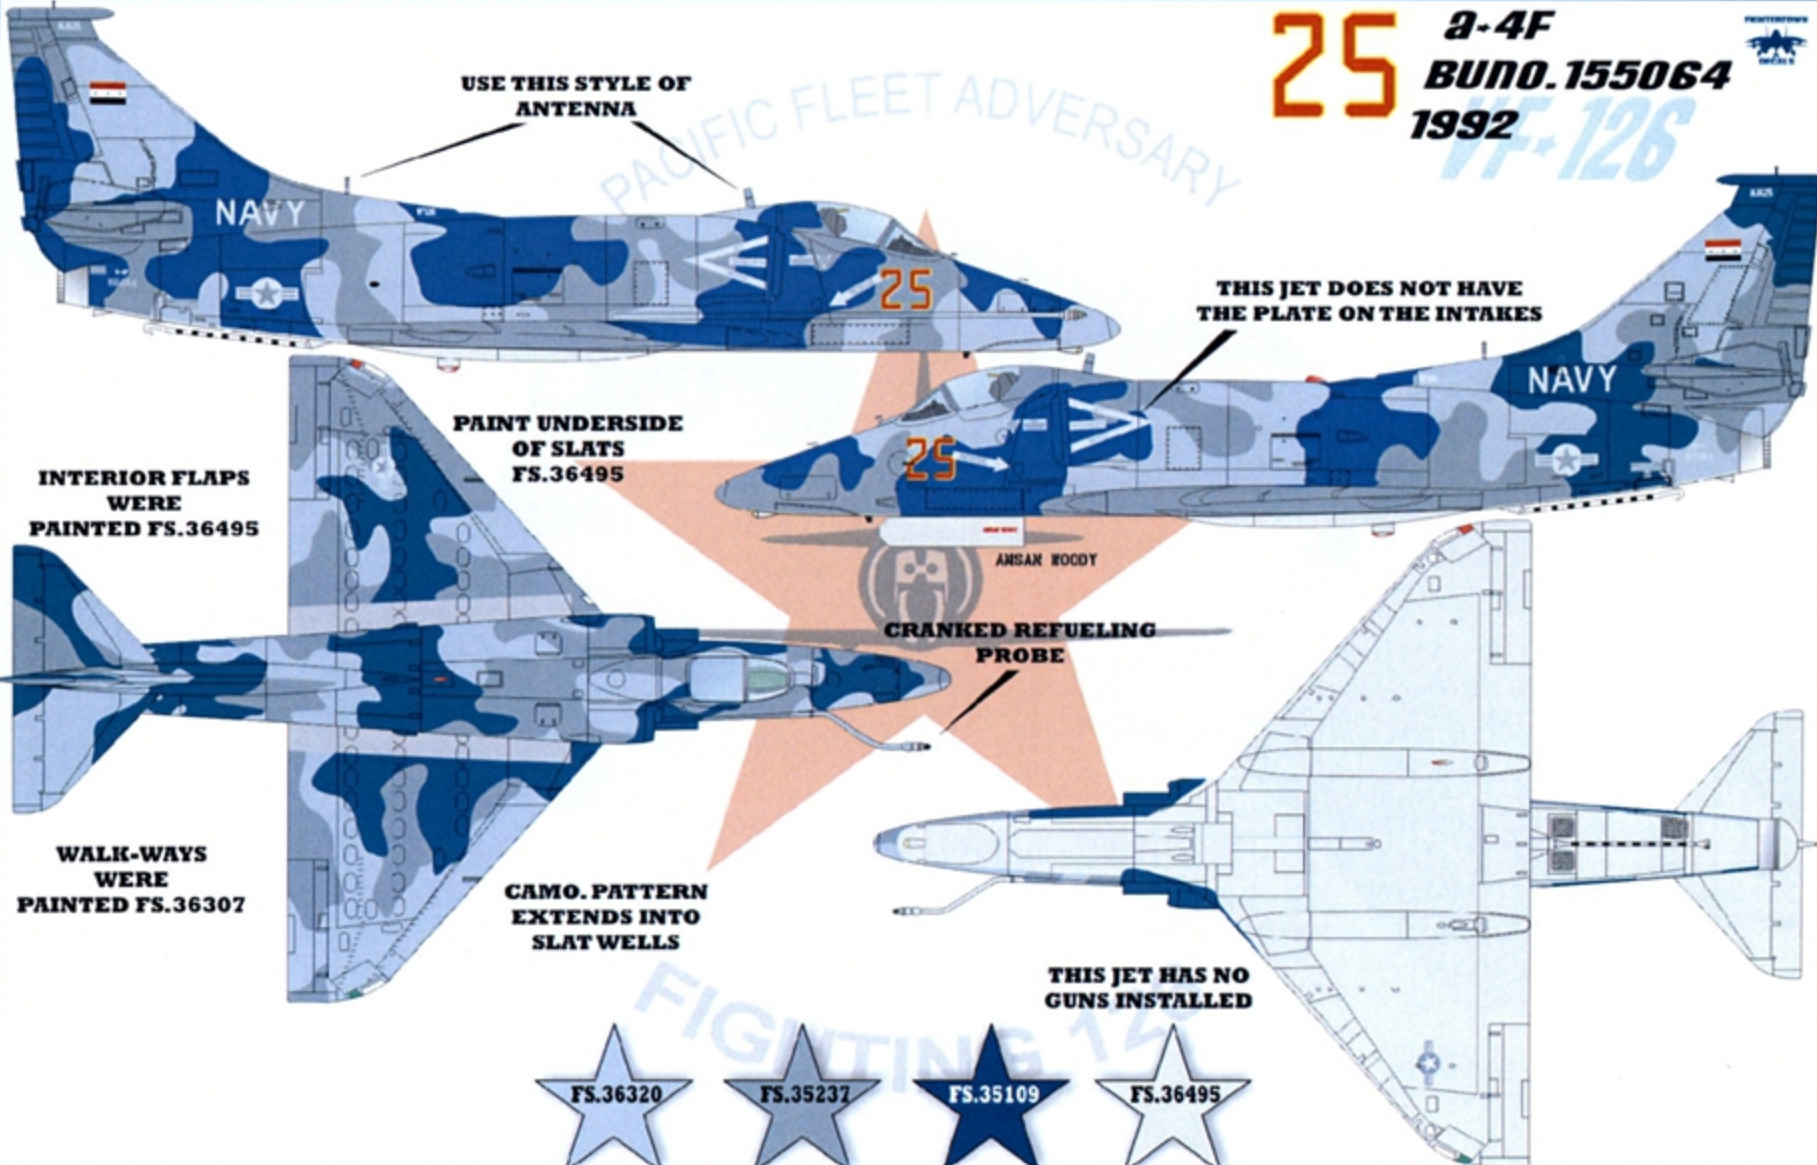

CRANKED REFUELING PROBE

50 M had a distinctly darker and more yellow sand color than FS.33531, even though some references list FS.33531. We list FS.20400 as an option, but you could choose to custom mix paint to suit your preference.

PLANE CAPTAIN
ANS3 BARR

CRANKED REFUELING PROBE

Color note for 00 and 50F : The FS.30140 brown on these jets looks darker than the standard color. Additionally, the nose cone received an even darker brown, or possibly a fresh coat.

INTERIOR FLAPS WERE PAINTED FS.31136
