Anytime Babe!!

F-14 Tomcats

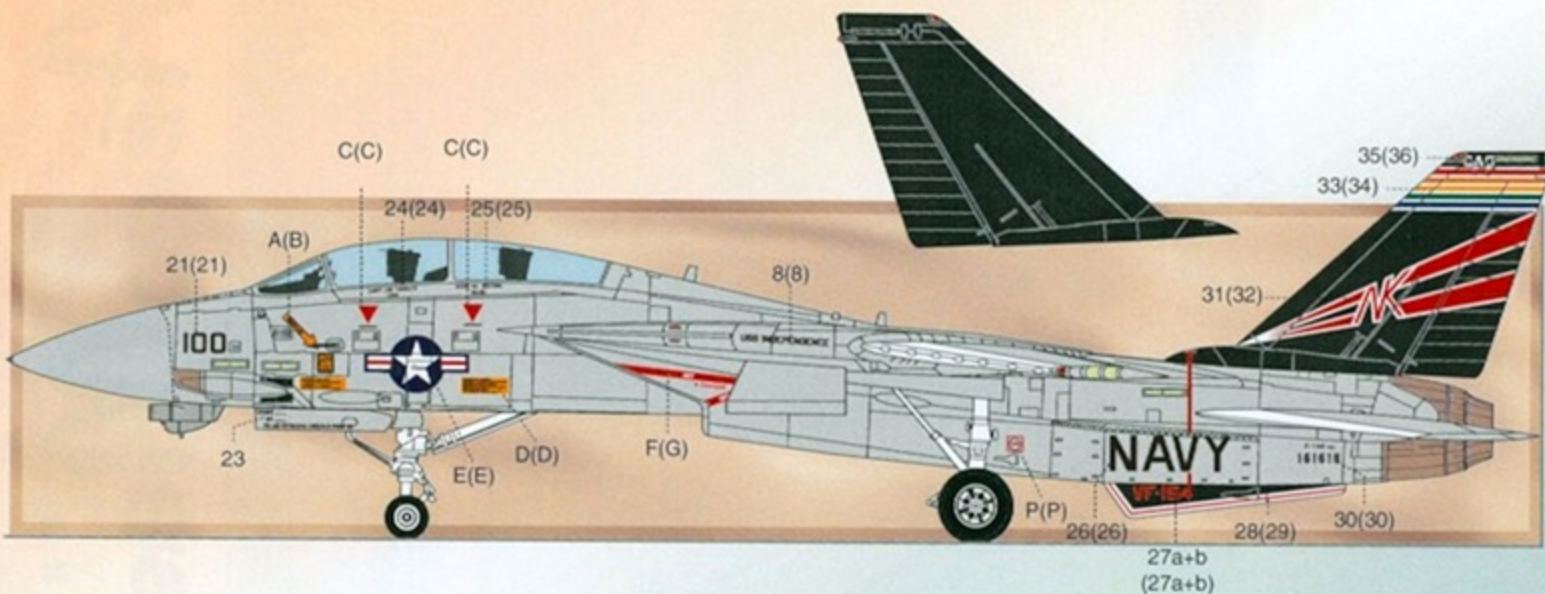

Suggested Kit: Hasegawa F-14A Family.

A/C 1

F-14A Bu No. 161603. VF-21, U.S.S. Independence, January 1991. Overall Gloss Gull Gray with Black tails, lower fuselage and canopy trim. Notice these two A/C flew at the same time, with the same pilot's name, but different rear seat names. Photo reference 1, pg 35.

A/C 2

VF-154 Flew F-14A BuNo 161618 off the same carrier, at the same time. Gloss Lt. Gull Gray, Black Tail, fins, but no canopy trim or anti-glare panels decorate this A/C. Photo Reference 1, pg 37.

Natural metal leading edges on horizontal flying surfaces on these 2 A/C.
