AIR WAR OVER VIETNAM Pt. IX A1-H's Pt. 3

Please Note - Painting propellers and wheel hubs

aircraft 1, 2, 5

aircraft 3, 4

Aircraft 3 and 4 apparently had their propeller tips overpainted, with the outboard white stripe replaced by yellow, and the two inboard stripes painted over with fresh black paint.

Aircraft 1 and 5 likely had white wheels, but some aircraft have been documented having wheels with a natural metal finish.
