Phantom FG.1 XT872 '004-R', 892 Naval Air Squadron, HMS Ark Royal, 1972. XT872 also participated in the visit to NAS Oceana, USA. Undoubtedly, given more time, this aircraft would also have received its fair share of 'zaps'!. Compare to A/C on Pt. I of Smokers!

Phantom FGR.2 XV485 'O' 228 OCU Squadron/111 Squadron, RAF Leuchars, Scotland, June 1978. While its original squadron was 228 OCU, XV485 was 'borrowed' by 111 Squadron where they added their own markings and codes!
