February 1982.

Suggested 1:48 Scale Kits:

Monogram T 28. 1/48 scale.

Note: We have good side view photos of these A/C. However, we cant say the same of the upper/lower surfaces. We have given you our best appreciation of photos from other similar sqdn. Understand that we are referring to the small markings only. Any advise will be greatly appreciated!

Aires offers super-detailing accessories for this and many other subjects in their range. Check our website at www.Aeromaster.com for these and many other wonderful products:
