Lightnings Pt III Late Colors

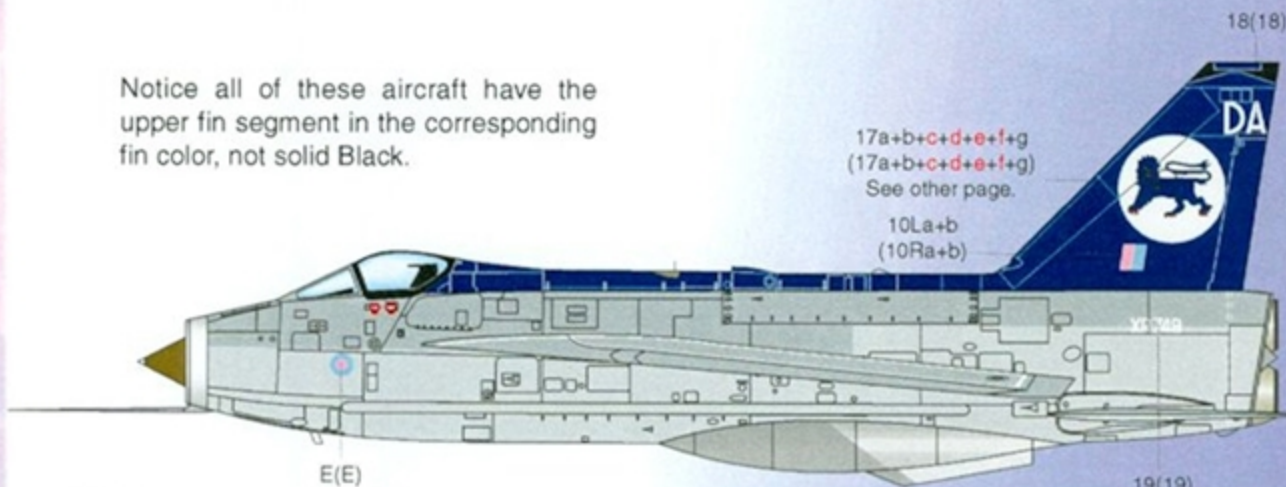

EE LIGHTNING F.3

Lightning Training Flight, RAF Binbrook, 1985.

Aircraft painted in special scheme to mark the 10th anniversary of the LTF. Low-viz finish of Medium Sea Grey upper surfaces, Barley Grey fuselage and Light Aircraft Grey under wings and tailplanes with Med. Sea Gray wrap around on leading edges. Black rear canopy, with fin/spine in dark blue, close to Roundel Blue (BSC381C:110). Natural metal ventral tank.

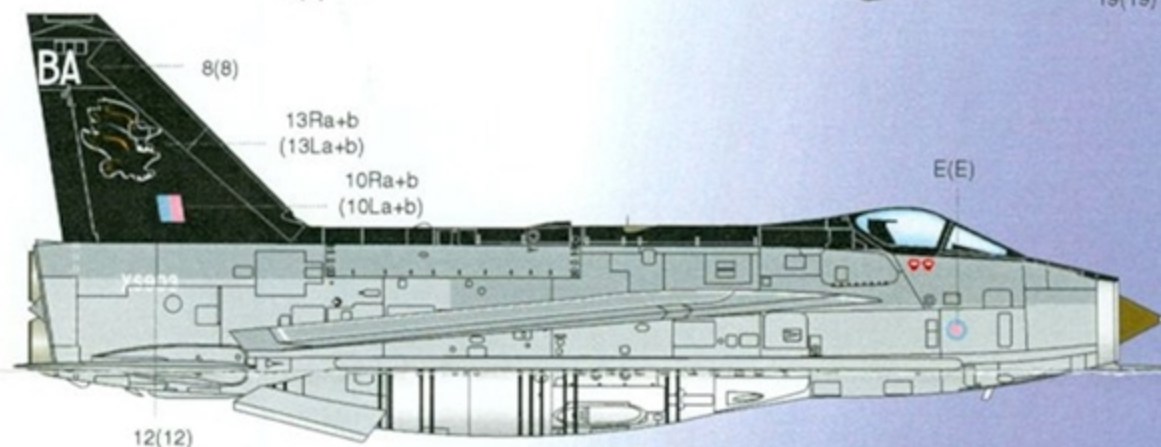

Notice all of these aircraft have the upper fin segment in the corresponding fin color, not solid Black.

EE LIGHTNING F.6

11 Sqn, RAF Binbrook, 1988.

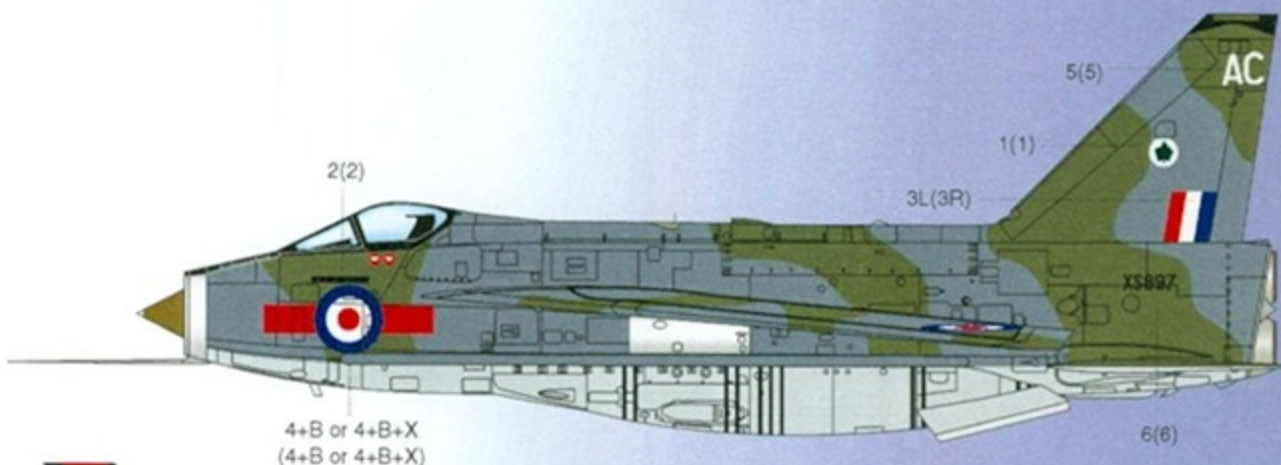

Low-viz finish of Medium Sea Grey upper surfaces, Barley Grey fuselage and Light Aircraft Grey under wings and tailplanes, with black fin/spine. Forward portion of belly tank in natural metal.

EE LIGHTNING F.6

5 Sqn, RAF Binbrook, 1987.

Special one-off scheme of Dark green, Dark Sea Grey and Barley Grey camouflage. Note forward portion of under wings and tailplanes camouflaged in Dk. Green/Dk. Sea Grey.

EE LIGHTNING F.6

5 Sqn, RAF Binbrook, 1987.

Overall Barley Grey with lower wings and tailplane Light Aircraft Grey. Fin, spine and leading edges of wing Post Office Red (BSC381C:538). Forward portion of belly tank in natural metal. Note Barley Gray wrap-around on outer bottom-wing leading edges.
